FOR IMMEDIATE RELEASE

Fence Repair Along Interstate 215

Perris, CA. – Caltrans will begin a 20-day project on Monday, August 30th to repair a four-mile segment of fence line on northbound I-215 between Nuevo Road and Ramona Expressway. The \$120,000 project has been awarded to Arrow Fencing. Work hours are Monday through Friday, 6:30 am to 3:30 pm.

Caltrans will not close the two ramps at the same time. Therefore, the Nuevo Road and Ramona Expressway ramps will be closed alternately and only if needed. The right shoulder will be closed but traffic lanes will remain open. Minimal traffic delays are anticipated.

For information on other projects in District 8 contact Caltrans at caltrans8.info or call Public Affairs at 909-383-4631
