**FOR IMMEDIATE RELEASE**

## PIPE WORK ON STATE ROUTE 189

**Blue Jay (San Bernardino County Mountains)** – Caltrans will begin a project to repair and improve a drainage pipe on State Route 189 (SR-189) located near Blue Jay Cutoff on Wednesday, September 5.

The work hours are 7:00 a.m. to 5:00 p.m. Monday through Friday and possible work on Saturday and Sunday. During the work hours, traffic will be reduced to one lane with flagging intermittently. Excavation of the roadbed is necessary to make the pipe repairs.

The project is expected to be complete by the end of September 2007.

***Motorists should add some extra time to their commute, especially since school is in session. School buses will not be delayed during the flagging.***

You may sign up for updates on any Caltrans roadwork at [caltrans8.info](http://caltrans8.info) under "CT Connect". You may also call Caltrans Public Affairs toll free at (866) 383-4631.
