Contact: Michelle Profant

Phone: (909) 383-4416

STATE ROUTE 91 HOV PROJECT UPDATE **EAST BOUND MADISON STREET OFF-RAMP TO CLOSE FOR TEN** **DAYS**

Riverside—The California Department of Transportation (Caltrans) continues work on the six-mile, \$232 million, high-occupancy-vehicle (HOV) lane project on State Route (SR-91) through downtown Riverside. Work is now scheduled to begin on the eastbound Madison Street off-ramp.

On Monday, September 9, 2013, the eastbound Madison Street off-ramp will close at 6:00 AM and remain closed through Friday, September 19, 2013 at 6:00 AM. This closure is needed to construct the new ramp alignment. Detours will be posted and the eastbound Adams Street off-ramp will be available to motorists during this closure.

Please drive carefully through the construction zone, observe speed limits, and obey any instructions requested by construction crews.

For more information on this and other Caltrans projects, visit our website at **www.caltrans8.info** and click on “Commuter/Press Releases.”

Visit www.91HOVProject.com for updates and pictures of the project.

Thank you for your patience as Caltrans and RCTC work to improve the State Route 91.
