NIGHTTIME CONNECTOR, RAMP AND LANE CLOSURES ON I-15 AND I-215 IN DEVORE AUGUST 31 TO SEPTEMBER 4, 2015

DEVORE, Calif. – As part of the Devore Interchange Project, crews will conduct activities that will necessitate connector, ramp and alternating lane closures for the safety of the public and workers. Most closure restrictions will be lifted each day so motorists can travel at peak daytime traffic times. Noise can be expected with these activities. Motorists are advised to expect intermittent traffic breaks for brief periods of time during nighttime work for equipment positioning and lane closure placement and removal. Please note that information contained in this commuter alert is subject to change without notice based on weather, field conditions or other operational factors

NOTE: The connection from NB I-215 Devore Rd. on-ramp to the SB I-15 connector is expected to open by September 12, 2015. The NB I-215 Devore Rd. on-ramp to NB I-15 is expected open in October 2015.

NOTE: In observance of the Labor Day holiday weekend, there will be no nighttime connector, ramp or lane closures starting Friday, September 4 at 6 a.m. through Tuesday, September 8, 2015.

Following are details of construction activities that will begin on Monday, August 31 and end on Friday morning, September 4, 2015.
