(909) 383-4631

## **RAMP METER ACTIVATES AT EL CERRITO ROAD IN CORONA**

**CORONA** – Heads Up! A ramp meter has been installed on the northbound El Cerrito Road on-ramp to Interstate 15. The meter, currently set to green, will begin controlling traffic on September 15<sup>th</sup>.

The meter is traffic responsive- meaning it activates based on the volume of traffic on Interstate 15. Ramp meters have shown to be an effective method of maintaining steady traffic flow on freeways and makes merging into freeway traffic easier.

Motorists should be prepared to stop when it activates, especially during peak commute hours. Traffic may back up on the ramp as drivers adjust to the new metering system.

Caltrans thanks you for your continued patience and support as The Department works to keep you moving.

***SLOW FOR THE CONE ZONE.***  
The life you save may be your own!
