FULL NIGHTTIME FREEWAY CLOSURE AT 14th STREET BRIDGE **STATE ROUTE 91 HOV PROJECT UPDATE**

Riverside - Yes, we said a **FULL FREEWAY CLOSURE**

In order to begin building the new 14th Street Bridge, parts of the old bridge must first be demolished. As a result, there will be a **FULL FREEWAY CLOSURE** of State Route 91 at 14th Street beginning on Monday, September 17 and continuing through Thursday, September 18 ***between the hours of 11 p.m. and 6 a.m.***

Detour signs will be posted, but expect delays and plan your commute accordingly. Use Interstate 10 and State Route 60 as east/west routes in and out of the Inland Empire. South County commuters may use State Route 76 to travel between South Riverside County and Orange County.

For more information on this and other Caltrans projects, visit our Web site at **www.caltrans8.info** and click on "News and Document Center." Sign up to receive Commuter Alerts automatically in your email while there. Check **www.91HOVProject.com** for updates and pictures of the project.

Thank you for your patience as Caltrans and RCTC work to improve the State Route 91.
