State Route 60 Paving Project Begins in Moreno Valley

Riverside County – Monday night, September 13, crews will begin paving State Route 60 from Day Street in Moreno Valley to the Interstate 10 connector in Beaumont. This \$4.4 million project was awarded to Beador Construction Company, Inc.

The work will include cold planing to smooth the surface and then overlaying the surface with asphalt. Crews will begin at Day Street and work eastbound to I-10 in Beaumont. Once the eastbound paving is complete, crews will pave the westbound lanes from Beaumont back to Day Street.

The work will take place Monday through Friday nights. The times will vary according to location, as shown in the table below. At least one lane will be available at all times on SR 60. It will be necessary to close ramps when paving is being done in the area of the ramp. Please follow detour signs.

LOCATION	DATES (September 7 – 11)	CLOSURE HOURS	LANE INFORMATION
Eastbound SR 60 from Day St. to Redlands Blvd.	Monday – Friday nights	9 p.m. – 4 a.m.	One lane will be available at all times
Eastbound SR 60 from Redlands Blvd. to I-10	Monday – Friday nights	9 p.m. – 5 a.m.
