## **PROPANE TRUCK FIRE CLOSURES LANES ON I-10**

**Fontana** - The California Department of Transportation (Caltrans) advises motorists that a truck fire on the eastbound Interstate 10 (I-10) between Cherry and Etiwanda in Fontana has closed a portion of the interstate. The fire began around 9:20 this morning and required the closure of the interstate while emergency officials extinguished the fire.

The westbound lanes have now been re-opened. The eastbound number 3 and 4 lanes will remain closed for an unknown duration. Updates will be issued as they become available.

Motorists are advised to drive slowly and cautiously through the incident area. Emergency officials and clean-up crews will remain on scene until the highway fully reopens. Caltrans would like to thank motorists for their patience during this incident and follow all cautionary signs in the area. Please **SLOW FOR THE CONE ZONE**.
