STATE ROUTE 91 HOV PROJECT UPDATE **FULL NIGHTTIME FREEWAY CLOSURE AT 14th STREET BRIDGE**

Riverside - Yes, we said **FREEWAY CLOSURES...**

In order to begin building the new 14th Street Bridge, parts of the old bridge must first be demolished. As a result, there will be **FREEWAY CLOSURES** of State Route 91 at 14th Street beginning on Sunday, night September 16th, and continuing through Thursday, September 20th, **between the hours of 11 p.m. and 6 a.m.**

Detour signs will be posted, but expect delays and plan your commute accordingly. Use Interstate 10 and State Route 60 as east/west routes in and out of the Inland Empire.

For more information on this and other Caltrans projects, visit our Web site at **www.caltrans8.info** and click on "News and Document Center." Sign up to receive Commuter Alerts automatically in your email while there. Check **www.91HOVProject.com** for updates and pictures of the project.

Thank you for your patience as Caltrans and RCTC work to improve the State Route 91.
