State Route 18 AC Replacement Project

San Bernardino Mountains – A project to remove and replace AC begins next week on State Route 18 (SR-18) in the San Bernardino Mountains between Granite Hill Duct (just north of Waterman Canyon Road) to the junction of SR18/SR138.

The work will take place from 8 a.m. to 6 p.m. Monday-Thursday. During construction the southbound lanes will be closed and all traffic will be diverted to the northbound lanes. There will be one lane open in each direction.

Additional AC replacement will be occurring on the southbound lane of SR 18 on Monday, September 16 between 8 a.m. – 1:00 p.m. at the SR 18/SR 189 junction and also on SR 18 at City Creek Road. These closures will require one way traffic control and flaggers will be present. Please anticipate some delays and leave extra time for your commute.
