Traffic Advisory #48 – REVISED

San Bernardino Associated Governments, the City of Fontana, the County of San Bernardino and Caltrans have teamed up to improve the Interstate 10 interchanges at Citrus Avenue and Cherry Avenue in Fontana.

A full freeway and lane closures and newly scheduled street access restrictions will be in place at the Citrus Avenue interchange to allow construction crews to remove the temporary bridge structure support materials. Freeway lane reductions and ramp closures will also be in place at the Cherry Avenue interchange for continued bridge work. Please follow posted detour signs during these closures.

Please refer to the information below for construction details:

Please note that construction activities are subject to change, based on contractor's schedule and weather conditions.

When complete, the Interchange projects will replace the current Citrus Avenue bridge over I-10 with a seven-lane bridge and the current Cherry Avenue bridge over the freeway with an eight-lane bridge. The project also will widen the bridges over the railroad tracks and improve on-ramps and off-ramps. Upgrades will be made at the intersection of Citrus Avenue and Valley Boulevard, Cherry Avenue and Slover Avenue, and other local street improvements.

Thank you for your patience and support during these improvement projects. Please be aware of the construction area and always make a point to... **SLOW FOR THE CONE ZONE** and **MOVE OVER** a lane when it is safe to do so.
