FOR IMMEDIATE RELEASE

INTERSTATE 10 REDLANDS PAVEMENT REPLACEMENT PROJECT NEW EASTBOUND TRAFFIC CONFIGURATION AND CROSSOVER LANE USEAGE

SAN BERNARDINO – The California Department of Transportation (Caltrans) continues work on the \$26 million Interstate 10 (I-10) Pavement Replacement Project. The project replaces concrete pavement in both directions of I-10 between Ford Street in the City of Redlands and Live Oak Canyon Road in the City of Yucaipa.

Each weekend eastbound I-10 motorists will be using the crossover lane during weekend construction work. For approximately 14 weekends, starting July 8th eastbound lanes will be reduced to **THREE** lanes (including the crossover lane), between 9:00 p.m. Friday night through 4:00 a.m. Monday morning. Eastbound Ford Street on-ramp, Wabash Ave. on-ramp, and Yucaipa Blvd. off-ramp will be closed during the weekend work.

The crossover lane merges over the center median and onto the number one (1) lane of the westbound traffic. The lane is 11 feet wide with one (1) foot shoulders and K-rail on both sides. Once a vehicle enters the crossover lane at Ford Street in Redlands, **it will NOT be able to exit until County Line Road in Yucaipa.** **Trucks and busses are not allowed in the crossover lane.** The westbound direction will maintain four open lanes of travel. Westbound lane widths will also be reduced to 11 feet.

Motorist are advised that the speed limit is reduced to **55 MPH**. Please **BE WORK ZONE ALERT**.

The details of work for **July 8 to October 14, 2016** are as follows:

Date Weekend of:	Direction	Lanes Reduced	Lanes Open
July 8 th Completed	Eastbound	Friday at 9:00 p.m.	Monday at 4:00 a.m.
July 15 th Completed	Eastbound	Friday at 9:00 p.m.	Monday at 4:00 a.m.
July 22 th Completed	Eastbound	Friday at 9:00 p.m.	Monday at 4:00 a.m.

BE WORK ZONE ALERT

COMMUTER ALERT
