## **STATE ROUTE 91 CLOSURES TEMPORARILY FOR BLASTING**

**CORONA**– A local development project in the City of Corona, adjacent to State Route 91 at McKinley Avenue, requires temporary closure of the freeway to accommodate blasting. Sukut Construction will blast on Tuesday, September 25<sup>th</sup> and Thursday, September 27<sup>th</sup> from 12:30 to 12:50 pm. The SR-91 will close at McKinley Avenue in both directions during the blast. **BE PREPARED TO STOP.**

Sukut Construction has advised Caltrans that more closures will be needed over the next two months. Stay tuned for these important updates! Future Commuter Alerts will be issued by Caltrans to advise motorists.

Drivers may take alternate freeways to the Inland Empire or anticipate the delay caused by the blasting and closure of the freeway. Thank you for your patience. Caltrans reminds drivers to always SLOW FOR THE CONE ZONE – the life you save may be your own or someone you love.
