STATE ROUTE 62 PROJECT BEGINS

State Route 62 in Joshua Tree – Motorists will start to see construction activities on State Route 62 (SR-62) in Joshua Tree as Caltrans and the contractor begin work from Sunny Vista Road to Hallee Road. The contract was awarded to Vance Corporation.

This segment of SR-62 is an east-west, four lane conventional highway. The project will widen the roadway by providing a continuous two-way, left turn lane and eight foot wide shoulders. The estimated construction cost of the project is \$4.1 million.

Work is scheduled to begin on Thursday, September 25, 2008. Caltrans will keep motorists informed of any lane closures throughout the length of the project.

This “Alert” will continue to be updated with new information for the duration of the project. For your convenience you may sign up for automatic notification of this alert by visiting our website at www.caltrans8.info and go to “CT Connect” or News and Document Center.

Caltrans would like to thank motorists for their continued patience during the I-215 improvement project. Caltrans asks that motorists please be aware of the construction area and always make a point to **SLOW FOR THE CONE ZONE**.
