State Route (SR) 247 in Yucca Valley – Project to Install Shoulders and Rumble Strips

WHO: The Department of Transportation (Caltrans), District 8

WHAT: Install 8-foot standard shoulders with centerline rumble strips, along with shoulder rumble strips.

WHERE: Yucca Valley, from El Cortez Rd. to 0.1 mile North of Napa Rd.

WHEN: An announcement of the dates of construction will be forthcoming.

WHY: Within the project limits, SR-247 is a two-lane, rural, conventional highway, which currently lacks paved shoulders. The construction of standard shoulders will provide a better recovery surface than the existing dirt surface.

For more information on this and other Caltrans projects, visit our web site at www.caltrans8.info and sign up for [COMMUTER/MEDIA E-MAIL ALERTS](#). View traffic conditions at <http://quickmap.dot.ca.gov> or you can view planned lane closures at www.lcswebreports.dot.ca.gov. Follow us on Twitter at www.twitter.com/caltrans8.
