

NEW WB I-10 OFF-RAMP AT MONTEREY AVENUE

The new westbound I-10 off-ramp at Monterey Avenue will open at 6:00 AM on Friday, September 26. Stop signs will temporarily be placed at the intersection with Varner Road. Signals will be installed to replace the stop signs prior to the completion of the project.

These improvements are part of the Monterey Interchange project, constructed by the City of Palm Desert, to improve traffic flow on the interchange. The project is scheduled to be completed by winter 2014.
