FOR IMMEDIATE RELEASE

STATE ROUTE 138 HORSETHIEF CREEK BRIDGE COMPLETE

SAN BERNARDINO – The California Department of Transportation (Caltrans) announces the completion of the State Route 138 (SR-138) Horsethief Creek Bridge in Hesperia, CA. The \$5.8 million project rebuilt the two-lane undivided conventional highway which serves the communities of Crestline, Summit Valley and Silverwood Lake. The bridge was built in two halves and took two years to complete, between October 2014 and October 2016.

Caltrans would like to thank the motoring public for their patience during the construction activities.
