October 2-3 Friday-Saturday 9pm-7am	<ul style="list-style-type: none"> Intermittent ramp closures on southbound I-215 on- and off-ramps
September 28-October 2 Monday-Friday 10pm-6am	<ul style="list-style-type: none"> Intermittent freeway lane closures on northbound I-215 between Scott Road and McCall Boulevard
October 2-3 Friday-Saturday 10pm-7am	<ul style="list-style-type: none"> Intermittent ramp closures on northbound I-215 on- and off-ramps

Lane Reductions Continue on Newport Road for Bridge Work and Ramp Paving Activities

Night work on Newport Road between Haun Road and Antelope Road will continue nightly **Monday-Friday, September 28-October 2** from 9pm-6am and **Friday-Saturday, October 2-3** from 10pm-7am for bridge work and ramp paving.

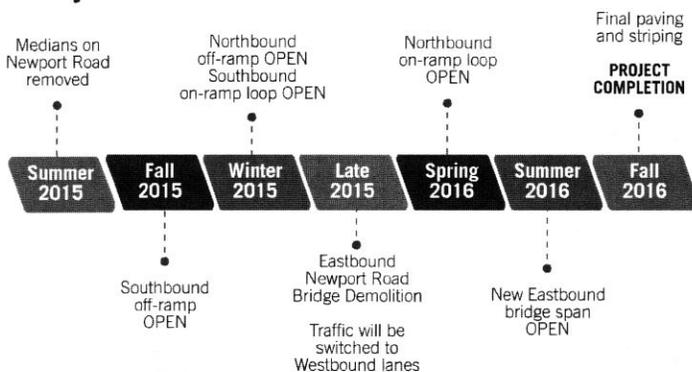

Please be advised that lanes will temporarily be reduced to one lane in each direction and the left turn pocket will be closed at night.

Upcoming Closure of Westbound Newport Road for Nighttime Bridge Work

Crews are scheduled to work on the bridge (westbound Newport Road only) on **Monday-Wednesday, October 5-7** from 9pm to 5am. During this nighttime closure, westbound traffic will be diverted to use Antelope Road, Scott Road and Haun Road as temporary detours. More detour information will be made available to the public at a later date.

Please plan ahead in anticipation of the temporary increased traffic in this area. If possible, please avoid the project corridor and use an alternate route. Motorists and pedestrians should slow down and use caution when traveling through work zones, near barricades and equipment.

Project Schedule

NOTE: Information contained in this Construction Alert is subject to change without notice, based on inclement weather, field conditions or other operational factors.
