**FOR IMMEDIATE RELEASE**

## INTERSTATE 10 REDLANDS PAVEMENT REPLACEMENT PROJECT EASTBOUND CROSSOVER COMPLETED EARLY

**SAN BERNARDINO** – The California Department of Transportation (Caltrans) continues work on the \$26 million Interstate 10 (I-10) Pavement Replacement Project. The project is replacing concrete pavement in both directions on I-10 from Ford Street in the City of Redlands to Live Oak Canyon Road in the City of Yucaipa.

Caltrans is pleased to announce that the work with the eastbound I-10 crossover was completed in ten weeks. For the next two weeks motorists can expect to see roadwork in the median and number two lanes as crews prepare for the westbound I-10 crossover lane, which is expected to begin the weekend of October 14. **On Saturday, October 1 at 9:00 p.m., crews will begin to move the westbound k-rail on to the eastbound roadway for the next crossover. Further information for the next crossover will be forthcoming.**

**Project specific work will continue Monday through Friday evenings from 9:00 p.m. to 5:00 a.m. with closure of the number one and two lanes in both directions.** In addition, the east and westbound Ford Street, Wabash Avenue, and Yucaipa Boulevard on and off ramps will be closed intermittently during work hours for lane striping. Lane widths are reduced to eleven feet.

Motorists are advised that the speed limit is reduced to **55 MPH**. Please **BE WORK ZONE ALERT!**
