THE 60 EASTBOUND TO WESTBOUND 91 CONNECTOR WILL CLOSE FOR 10 STRAIGHT DAYS

Riverside- In conjunction with the 60/91/215 Improvement Project the Department of Transportation is conducting a continuous closure on the connector from eastbound 60 to the westbound 91 Freeway.

Beginning Wednesday, October 10th at 6:00 a.m. the closures will take place to construct the re-alignment and widening of the connector entrance and a portion of the mainline pavement. The on-going closure is expected last until Saturday, October 20th at approximately 6:00 a.m.

Detour: Motorists will be detoured through the 60/91/215 interchange to Blaine and 3rd Street. Exiting the freeway, turn left over the bridge and back onto northbound 215. Head back toward the 60/91/215 interchange and exit at the westbound 91 loop ramp.

Drivers should anticipate delays. To avoid rear end collisions merge early and allow distance between you and the car in front of you. Signs will be posted to advise and direct motorists. Caltrans asks that all advisory signs be obeyed and that you **SLOW FOR THE CONE ZONE**.
