STATE ROUTE 91 (SR-91) HOV PROJECT **10 DAY EASTBOUND ARLINGTON OFF-RAMP CLOSURE**

RIVERSIDE – Caltrans, District 8 continues construction on the six-mile, \$232 million high occupancy vehicle (HOV) lane project on SR-91 through downtown Riverside. A **full closure of the eastbound Arlington Ave. off-ramp** is scheduled for ten (10) days starting Tuesday, October 14, at 12:01 a.m. and ending Friday, October 24, 2014 at 6:00 a.m. The closure is necessary to complete the reconstruction of the off-ramp.

In addition to the eastbound off-ramp closure, there will be a **full freeway closure of eastbound SR 91** between Arlington Ave. and Central Ave. for paving on Thursday, October 16, from 10:00 p.m. to 5:00 a.m.

Detours are as follows:

- **10-day eastbound Arlington Ave. closure:** Use Madison Street off-ramp or Central Ave. off-ramp to reach your destination.
- **October 16, 2014 ONLY, full freeway closure:** Eastbound SR 91 traffic use Madison St., turn left onto Madison St., turn right onto Magnolia Ave., and then right onto Central Ave.

Plan ahead and allow additional travel time. Expect minor delays and use alternate routes if possible.

For project updates and photos log on to <http://www.91hovproject.com/>. For more information on these and other Caltrans projects, visit our web site at www.caltrans8.info and sign up for **COMMUTER/MEDIA E-MAIL ALERTS**. View traffic conditions at <http://quickmap.dot.ca.gov> or you can view planned lane closures at www.lcswebreports.dot.ca.gov. Follow us on Twitter at www.twitter.com/caltrans8.

Caltrans advises motorists that the speed limit for the SR 91 HOV Project is 55 miles per hour and is a double fine zone.
