Project to Install Shoulders and Rumble Strips State Route (SR) 247 in Yucca Valley

WHO: The Department of Transportation (Caltrans), District 8

WHAT: Install 8-foot standard shoulders with centerline rumble strips, along with shoulder rumble strips.

WHERE: Yucca Valley, from El Cortez Rd. to 0.1 mile North of Napa Rd.

WHEN: **Monday through Friday, 10/13 to 10/17, from 6:00 P.M. to 6:00 A.M. the following morning - 1 of 2 lanes will be closed for roadwork**

WHY: Within the project limits, SR-247 is a two-lane, rural, conventional highway, which currently lacks paved shoulders. The construction of standard shoulders will provide a better recovery surface than the existing dirt surface.
