## UPDATE: WORK DAYS CHANGE ON THE STATE ROUTE 38 PAVING PROJECT

**SAN BERNARDINO-** Caltrans and All American Asphalt have resumed the paving rehabilitation project on State Route 38. Work hours have changed to **Monday through Friday, 8:00 a.m. to 5:00 p.m., through October 24.**

All American Asphalt will not pave the SR-38 on Saturdays in consideration of the construction and maintenance activities on the mountain. There are currently two projects on SR38- the Hathaway Creek Bridge and a paving project, two on SR-18- a paving project and a winter preparation project in the Arctic Circle.

Reminder- Park outside the paving project(s) limit as they progress through the area. No access will be permitted while the asphalt is hot. Cooling time averages one to one and a half hours.

**Motorists are advised that SR 18 will be closed between Snow Valley Mountain Resort and the Big Bear Dam (Arctic Circle) October 12 through 29 from 8:00 a.m. to 4:00 p.m.**
