**INDIO**– Caltrans is making changes to the exit at eastbound I-10 and Indio Boulevard / Jefferson Street. To improve safety the center island at Jefferson Street will be removed and the free turns will be changed to stop sign control.

The two lanes exiting the freeway and the intersection at Jefferson Street will be re-striped. Limit lines will be painted at each stop sign. Be ready- these changes will occur next week.

Caltrans reminds drivers to always SLOW FOR THE CONE ZONE – the life you save may be your own or that of someone you love.
