

I-215 / NEWPORT ROAD INTERCHANGE PROJECT

Construction Alert

Construction Activity, October 17-22, 2016

Nighttime Full Freeway and Newport Road Bridge Closures (October 17-22 and October 24-29)

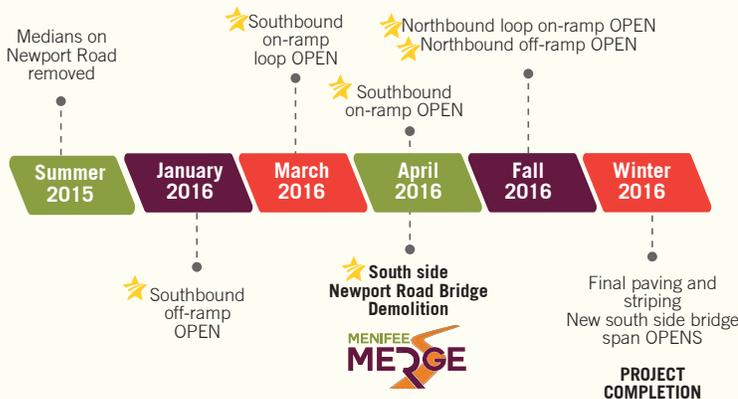

◀ See map for alternate routes

As part of the ongoing construction, crews will be removing falsework on the Newport Road bridge over the I-215 freeway lanes. For the safety of the traveling public, these activities will require nighttime full closures of the northbound and southbound freeway lanes at Newport Road to avoid working over live traffic. Lane reductions will occur **Monday-Friday, from 10pm-5am** and **Friday-Saturday, from 10pm-6am**.

Mainline traffic will be diverted to use the on- and off-ramps as temporary detours. Traffic on Newport Road will be diverted to use Scott Road. Signage will be present to direct motorists, cyclists and pedestrians. Please follow the signed detour routes.

Date/Time	Location/Details
October 17-21 Monday-Friday 10pm-4am	<ul style="list-style-type: none"> Full freeway closure on southbound I-215 at Newport Road
October 21-22 Friday-Saturday 10pm-6am	
October 17-21 Monday-Friday 10pm-5am	<ul style="list-style-type: none"> Full freeway closure on northbound I-215 at Newport Road
October 21-22 Friday-Saturday 11pm-5:30am	
October 17-21 Monday-Saturday 10pm-6am	<ul style="list-style-type: none"> Full lane closures on Newport Road between Haun Road and Antelope Road

Project Schedule

NOTE: Information contained in this Construction Alert is subject to change without notice, based on inclement weather, field conditions or other operational factors.

Please plan ahead in anticipation of the temporary increased traffic in this area. If possible, please avoid the project corridor and use an alternate route. Motorists and pedestrians should slow down and use caution when traveling through work zones, near barricades and equipment.
