FOR IMMEDIATE RELEASE

INTERSTATE 10 REDLANDS PAVEMENT REPLACEMENT PROJECT **WORK POSTPONED UNTIL NOVEMBER 4, 2016**

SAN BERNARDINO – The California Department of Transportation (Caltrans) continues work on the \$26 million Interstate 10 (I-10) Pavement Replacement Project. The project replaces concrete pavement in both directions of I-10 between Ford Street in the City of Redlands and Live Oak Canyon Road in the City of Yucaipa.

Each weekend westbound I-10 motorists will be using the crossover lane during weekend construction work. For approximately 14 weekends, starting October 14th westbound lanes will be reduced to **THREE** lanes (including the crossover lane), between 9:00 p.m. Friday night through 4:00 a.m. Monday morning. Westbound Ford Street on-ramp, Wabash Ave. on-ramp, and Yucaipa Blvd. off-ramp will be closed during the weekend work.

The crossover lane merges over the center median and onto the number one (1) lane of the eastbound traffic. The lane is 11 feet wide with one (1) foot shoulders and K-rail on both sides. Once a vehicle enters the crossover lane at Live Oak Canyon Road in Yucaipa, it will NOT be able to exit until Ford Street in the City of Redlands. **Trucks and busses are not allowed in the crossover lane.** The eastbound direction will maintain four open lanes of travel. Eastbound lane widths will also be reduced to 11 feet.

Motorist are advised that the speed limit is reduced to **55 MPH**. Please **BE WORK ZONE ALERT**.

The details of work for **October 14 to February 10, 2016** are as follows:

Date Weekend of:	Direction	Lanes Reduced	Lanes Open
October 14 th Complete	Westbound	Friday at 9:00 p.m.	Monday at 4:00 a.m.
October 21 st Postponed	Westbound	Friday at 9:00 p.m.	Monday at 4:00 a.m.
October 28 th Postponed	Westbound	Friday at 9:00 p.m.	Monday at 4:00 a.m.

BE WORK ZONE ALERT

COMMUTER ALERT
