WORK TO COMPLETE SB BLAINE OFF RAMP

RIVERSIDE – The California Department of Transportation (Caltrans) will close the southbound off-ramp on I-215 at Blaine Street in the city of Riverside. The closure is continuous starting on Thursday, October 25th at 9:00 a.m.

The closure is necessary to complete the final work on the ramp as it ties into southbound 215 as well as some minor drainage and concrete barrier work. A full and continuous closure allows for a safe area to work and provides the contractor the ability to complete the work in a shorter period of time.

DETOUR: For motorists traveling southbound, exit off at University Avenue, turn right onto Iowa Avenue, turn left onto Blaine/3rd Street.

Caltrans would like to thank the community and motorists for their continued patience and support during the improvement project. Caltrans asks that motorists please be aware of the construction area and always make a point to ***SLOW FOR THE CONE ZONE.***
