BE WORK ZONE ALERT!

UPDATE- STATE ROUTE 18 PAVING PROJECT

SAN BERNARDINO-The California Department of Transportation (Caltrans) and Match Corporation continue the \$4 million paving project on State Route 18 (SR-18).

The paving project is currently between Arrowhead Villa Road (next to the Caltrans yard close to the SR-173 intersection) and the SR-330 in Running Springs. The current construction schedule is below. These dates and times may change based on weather or construction progress.

DATE	LIMITS OF WORK	HOURS
Mon., Oct. 26 to Fri., Oct., 30	Lake Arrowhead Villa Rd to the SR-330 (Running Springs)	9:00 a.m. to 5 p.m. No weekend work

Motorists traveling to Big Bear are advised to use State Route 38 to avoid delays.

Match Corporation is paving as much as possible each day. Advisory signs are posted stating that the project is approaching. **SLOW DOWN** as soon as you see the construction advisory signs. You have entered a construction zone and speeds have been reduced. Expect delays.

Access to SR-18 is restricted until the hot asphalt has cooled sufficiently. Make parking arrangements outside of the construction zone if the project is in your area. Thank you for your cooperation.

Motorists driving to Big Bear are advised that other roadwork is underway on state highways: SR-18 between Snow Valley Resort and Big Bear Dam is closed Monday through Friday from 8:00 a.m. to 5:00 p.m. (through October 29) and SR-38 has traffic control from 6:00 a.m. to 6:00 p.m. for paving until project completion.

Follow this and other projects on Twitter at caltrans8. Contact Public Affairs at 909-383-4631 for more information.
