Travel advisory: Eastbound I-10 closed west of Phoenix for part of upcoming weekend

PHOENIX—As part of an Arizona Department of Public Safety (DPS) program to install photo enforcement cameras along Phoenix area freeways, a section of eastbound Interstate 10 west of Phoenix will be closed Friday night and Saturday.

Eastbound I-10 will be closed between Palo Verde Road and Watson Road in the Buckeye area from 9 p.m. Friday to noon Saturday (Oct. 18) for the camera installation work. The northbound State Route 85 ramp to eastbound I-10 also will be closed.

Eastbound I-10 traffic will detour around the closure on local roads.

The Department of Public Safety has started a project to install speed enforcement cameras along freeways in the Phoenix area. While the Arizona Department of Transportation (ADOT) does not operate this program, ADOT is working with DPS to create safe work zones while crews install the cameras.

For a complete listing of highway and freeway closures or restrictions across Arizona visit ADOT's Travel Information site at www.az511.gov or call 5-1-1. A listing of Phoenix area weekend freeway restrictions also is available at www.azdot.gov.
