

# I-215 / NEWPORT ROAD INTERCHANGE PROJECT

## Construction Alert

### Construction Activity, October 24-29, 2016

### Nighttime Full Freeway and Newport Road Bridge Closures (October 24-29)

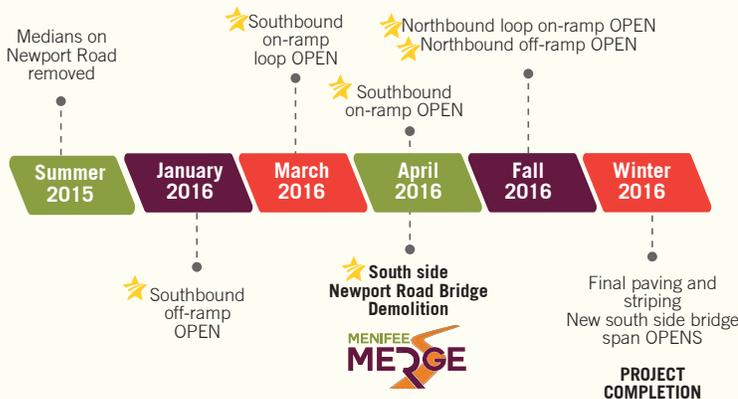

◀ See map for alternate routes

As part of the ongoing construction, crews will continue to remove falsework on the Newport Road bridge over the I-215 freeway lanes. For the safety of the traveling public, these activities will require nighttime full closures of the northbound and southbound freeway lanes at Newport Road to avoid working over live traffic. Lane closures will occur: **Monday-Friday, from 10pm-5am and Friday-Saturday, from 10pm-6am.**

Mainline traffic will be diverted to use the on- and off-ramps as temporary detours. Traffic on Newport Road will be diverted to use Scott Road. Signage will be present to direct motorists, cyclists and pedestrians through the assigned detour routes.

### Project Schedule

*NOTE: Information contained in this Construction Alert is subject to change without notice, based on inclement weather, field conditions or other operational factors.*

Please plan ahead in anticipation of the temporary increased traffic in this area. If possible, please avoid the project corridor and use an alternate route. Motorists and pedestrians should slow down and use caution when traveling through work zones, near barricades and equipment.
