UPDATE – REVISED WORK HOURS **PAVING PROJECT ON ROUTE 395**

San Bernardino County – Caltrans began a paving project on US Route 395 (US-395) from Joshua Street to State Route 18 (SR-18/Palmdale Rd.) on Monday, October 23. The original work hours and lane closures resulted in unexpected, heavy congestion. The work hours have been slightly modified to accommodate morning and afternoon commute hours. The new work hours are Monday through Friday from 8:00 a.m. to 4:00 p.m. They will begin next week for the paving portion of the project.

Reversible traffic control, or flagging, will be used to move traffic through the work zone. At least one lane will be available to motorists during the work hours. Delays are expected. If possible, use SR-18 (Palmdale Rd.) as a detour to Interstate 15 (I-15).

The project is expected to be complete by the end of November 2006, weather permitting. Caltrans thanks the community for its' patience during this project. For more information on state highway roadwork, please go to our website at **caltrans8.info**.
