(866) 383-4631**WHAT:** ROAD CLOSURE**WHEN:** THURSDAY, OCTOBER 25, 2007 (0930)**WHERE:** RIVERSIDE & SAN BERNARDINO COUNTIES

Several routes continue to remain closed as the US Forest Service and San Bernardino Fire Authority continue to contain the fires. Caltrans is supporting their efforts by maintaining access for emergency vehicles. Caltrans damage assessment teams are prepared to review road damage once they are cleared for safe access. The roads will not be opened to traffic until emergency repairs have been completed. Extensive damage to the guardrail, signs, fallen debris and power lines on the roadbed make it unsafe for travel. Motorists can check the following sources to determine if the roads are open. Changes to road conditions will be updated when new information is available. Visit www.caltrans8.info and link into the “News and Document Center” for updates.
