UPDATE--STATE ROUTE 18 PAVING PROJECT

SAN BERNARDINO--The California Department of Transportation (Caltrans) and All American Asphalt continue the \$3.2 million paving project on State Route 18 (SR-18).

The contractor will begin striping operations on November 10, 2016, between Lake View Point (close to Snow Valley Winter Resort) and Arrowbear, weather permitting.

The contractor is replacing the temporary striping with permanent centerline striping and the temporary fog line with recessed, thermoplastic paint.

Work hours are 8:00 a.m. to 5:00 p.m., Monday through Friday, and 8:00 a.m. to noon on Fridays. One way traffic control will be in effect.

Advisory signs are posted to alert that the project is approaching. **SLOW DOWN** as soon as you see the construction advisory signs.
