Project Schedule

NOTE: Information contained in this Construction Alert is subject to change without notice, based on inclement weather, field conditions or other operational factors.

Lane Reductions Continue on Newport Road for Bridge Work and Ramp Paving Activities

Night work on eastbound and westbound Newport Road between Haun Road and Antelope Road will continue intermittently at night throughout the week **Monday-Friday, October 26-30** from 9pm-6am and **Friday-Saturday, October 30-31** from 10pm-7:30am for roadway widening.

Please be advised that lanes will temporarily be reduced to one lane in each direction and the left turn pocket will be closed at night.

Please plan ahead in anticipation of the temporary increased traffic in this area. If possible, please avoid the project corridor and use an alternate route. Motorists and pedestrians should slow down and use caution when traveling through work zones, near barricades and equipment.
