GREEN RIVER ROAD INTERCHANGE PROJECT UPDATE

CORONA – Construction crews will be working at freeway level to install traffic signal loops in lanes on Tuesday, November 4th. This work requires closure of 4 lanes on westbound State Route 91 from 6 pm to 3 am. Caltrans will gradually reduce the number of open lanes beginning at 6 pm. Two lanes will be available on the westbound side from 9 pm to 3 am.

Keep traffic moving! Make space for other vehicles by allowing them to merge while maintaining traffic flow. Anticipate delays- plan for extra commute time.

Visit our website often for information on this and other projects in San Bernardino and Riverside counties. While there, sign up in the “News and Document Center” to receive Commuter Alerts and News Releases on projects that may affect your commute.

SLOW FOR THE CONE ZONE!
