[SR-18 Opens in Running Springs- You Can Help the Mountain Residents...](#)

Running Springs– State Route 18 will open between Running Springs and Big Bear Dam, Friday, November 2 at noon to all traffic.

Green Valley Lake residents are returning to their homes tomorrow morning for the first time since the fires. Green Valley Lake residents, that sustained property damage or loss, will have access to their properties between 9AM and noon. The residents have a limited window of time in which to handle essential tasks.

Please assist the local residents and Emergency Operation crews by planning your commute on SR-18 after the noon opening to the general public. Caltrans recommends those destined for Big Bear use SR-18 after 12 noon or use SR-330 in the morning.
