FOR IMMEDIATE RELEASE

STATE ROUTE 138 (SR-138) WIDENING (WEST) PROJECT NIGHTTIME FLAGGING CONTINUES

SAN BERNARDINO—The California Department of Transportation (Caltrans) continues work on the \$52.1 million State Route 138 (SR-138) Widening (West) Project. Flagging is expected on SR-138 between Mormon Rocks and Cajon Blvd and between Beekley Rd and Lebec Rd, on Thursday, November 5th. The work hours will be 7 p.m. to 5 a.m. The flagging is needed for the removal and re-installation of k-rail.

The project will widen SR-138 to four lanes with a fourteen foot median buffer from Phelan Road to Interstate 15 (I-15). It will also construct turn pockets at selected local intersections, upgrade shoulders to current standards, extend drainage as necessary and construct two wildlife crossings.

The project will improve the operational efficiency of the highway, as well as upgrade SR-138 to current standards. It is estimated to be complete in December 2016.

For more information on these and other Caltrans projects, please visit our website and sign up for COMMUTER/MEDIA E-MAIL ALERTS. View traffic conditions at <http://quickmap.dot.ca.gov> or view planned lane closures at www.lcswebreports.dot.ca.gov.
