

Numerous construction activities are under way for the 91 Project. Expect lane closures, noise, flagging activities and traffic delays while crews are at work. For the safety of crews and motorists, closures will be needed. Please use the interface below to find specific closure information.

We remind motorists to be alert, watch for signs and follow the 55 MPH speed limit within the project limits. Thank you for your patience during construction. For real-time traffic conditions, you can go to ie511.org. To learn about regularly scheduled maintenance on the 91 Express Lanes, please [click here](#).
