STATE ROUTE 177 ROADWORK

Desert Center – Caltrans is paving State Route 177 between Interstate 10 and State Route 62 this week. The work will continue through at least Friday, November 7.

During the paving, flagging and pilot cars will be used to move traffic through the construction zone. The work hours are 6:00 a.m. to 6:00 p.m. Monday through Friday.

Motorists can expect delays of 15 to 25 minutes.

To avoid delays, please take an alternate route if possible, or alter your travel times around the work hours. Road workers will be working close to traffic. Motorists are advised to have patience, slow down, and follow all instructions.

For other Caltrans roadwork information, please go to our website at www.caltrans8.info and sign up for press releases under “CT Connect”.
