

CALTRANS COMMUTER ALERT

07-346

Date: Wednesday, November 14, 2007
District: 08 – Riverside
Contact: Shelli Lombardo
Phone: (909) 383-6290
(909) 383-4631

INTERSTATE 15 / STATE ROUTE 91 CONNECTOR REHABILITATION PROJECT

Corona- Work will begin on this \$1.17 Million project beginning November 27, 2007. The project will repair and resurface the bridge decks of the NB I-15 to the WB SR-91 connector and the bridges over Temescal Wash. Improvements include replacing the joint seal assemblies on the NB I-15 to the WB SR-91 Connector.

Work is scheduled at night, Monday through Friday, from 8 PM to 5AM (with weekend work as needed). East and westbound 91, along with north and southbound I-15, will be affected by the project. At times, full closures of the connectors are required to complete this project. Expect lanes closures and traffic control. Stay informed and prepare for your commute by having an alternate route selected.

Regular project updates will be issued and detour maps are available on the District 8 web site. You may view Detour Maps by visiting our website at Caltrans8.info and clicking on the "Current Projects" icon on the web page. Visit our website, Caltrans8.info, often for updates on this and other projects in San Bernardino and Riverside Counties. While there, sign up in the "News and Document Center" in order to receive Commuter Alerts and News Releases on projects that may affect your commute.

Give yourself extra commute time. Merge early and make space for vehicles around you- so everyone can get from Point A to Point B successfully.

SLOW FOR THE CONE ZONE.
