

74/215 INTERCHANGE PROJECT CONSTRUCTION ALERT

Alert #13

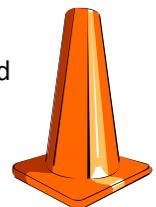

Date: Wednesday, November 10, 2010

PERRIS – The Riverside County Transportation Commission and project partners continue constructing the 74-215 Interchange (also known as the 4th Street Interchange). Construction crews will remove asphalt from the center median, pave and restripe the roadway, install temporary barriers and drainage systems.

Closures will be required as follows, weather permitting:

Closure Activity	Closure Location	Date, Time and Details
Freeway lane closures	Southbound I-215 between Perris Boulevard Overcrossing & the temporary 4 th Street off-ramp	Monday and Tuesday nights, November 15 & 16 Lane closure will occur each night from 9 pm to 5 am the following morning. One travel lane will remain open during these closures.
Freeway lane closures	Northbound I-215 between the off ramp at 4 th Street and Perris Blvd Overcrossing	Monday through Thursday nights, November 15, 16, 17 & 18 Lane closure will occur each night from 8 pm to 4 am the following morning. Friday night, November 19 Lane closure will occur from 9 pm to 6 am the following morning. One travel lane will remain open during these closures.
Ramp closures	Northbound I-215 off-ramp at 4th Street	Monday through Thursday nights, November 15, 16, 17 & 18 Ramp closure will occur each night from 8 pm to 4 am the following morning. Friday night, November 19 Ramp closure will occur from 9 pm to 6 am the following morning. During these closures, motorists will be directed to use the Nuevo Road off-ramp.
Ramp closures	Northbound I-215 on-ramp at Redlands Avenue	Monday through Thursday nights, November 15, 16, 17 & 18 Closure will occur each night from 8 pm to 4 am the following morning. Friday night, November 19 Ramp closure will occur from 9 pm to 6 am the following morning. During these closures, use Nuevo Road on-ramp.
Lane closures	Redlands Avenue from the north bound freeway ramps to 4 th Street	Monday through Friday nights, November 15, 16, 17, 18 & 19 Lane reductions will occur each night from 9 pm to 5 am the following morning. One travel lane in each direction will remain open during these closures. A flagging operation will be in place to direct motorists through the area.

The project will pave the way for better traffic flow, easier access to downtown Perris and improved connections to both north and south Interstate 215. The project will replace the current two-lane bridge over the freeway with an eight-lane bridge, realign freeway ramps, widen streets, replace stop signs with traffic signals, add a sidewalk north of the bridge and build residential sound walls. Throughout construction, please remember to **Slow for the Cone Zone!**
