## **Bob Hope Drive Ramps are Open**

**Riverside County** – The Bob Hope Drive eastbound on-ramp to the I-10 is now open. All four ramps on the Bob Hope Interchange are now open to traffic.

Construction began in February 2010 on the new structure which is located on Interstate 10 in the Coachella Valley. Caltrans and all the partners involved in this construction project extend their thanks to the communities and motorists for their patience during construction.

***Slow for the cone zone!***
