State Route 91 (SR-91) 14th Street Closures

Riverside – Caltrans continues construction on the new six-mile long High Occupancy Vehicle (HOV) project on State Route 91 through the city of Riverside. Work is proceeding on the 14th Street Bridge, and motorists will be switched to the northern side of the bridge later this week. The northern lanes will remain in use for through traffic and the southern lanes will be closed until further notice so that crews can work on the bridge. In order to safely make the switch, 14th Street at the freeway (SR 91) will close to all traffic from 9:00 pm on Friday, November 22 through 2:00 p.m. on Saturday, November 23. When the roadway opens on Saturday, motorists will be driving on the northern side.

There will also be on and off-ramp closures at the dates and times indicated:
