UPDATE **STATE ROUTE 330 WILL REMAIN OPEN TONIGHT** **STATE ROUTE 330 FINAL WORK**

San Bernardino County – Caltrans is close to completing the State Route 330 (SR-330) slope rehabilitation project. Some final work is required on the roadbed above the slope at the upper limits of the project. Therefore, a nighttime closure will be necessary. Caltrans made the decision to delay this work until after the Thanksgiving holiday to allow motorists full access to SR-330.

SR-330 remains open tonight due to the rain. The route will close with no escorts beginning Tuesday evening, November 28, at 8:00 p.m. through Wednesday morning, November 29, at noon. If the work is completed sooner, SR-330 may open before noon on November 29.

SR-330 will remain under flagging or pilot car escort during the non-closure hours. The project is expected to be complete by December 7, 2006.

When you come to a highway work zone, watch out for workers. Drivers cutting in or suddenly changing lanes at the last minute may cause rear-end collisions, which are the most common type of crash in work zones. For more information on roadwork please go to our website at www.caltrans8.info or call us toll free at (866) 383-4631.
