State Route 91 **BRIDGE DECK REHABILITATION PROJECT**

Riverside County– A one and a half million dollar project to rehabilitate the bridge decks on State Route 91 through Corona and Riverside begins tonight. Peterson-Chase Construction was awarded the two month contract that will be completed from just east of State Route 71 to Monroe Street.

Crews are working seven nights a week. Weeknight hours are 10 p.m. to 4 a.m. and weekend hours are 11 p.m. to 6 a.m. Motorists are advised to anticipate lane closures as this project progresses along SR-91.

Observe all advisory signs. Avoid congestion by merging early and making space for others attempting to move over. Thank you for your patience and your courtesy.
