I-10/Ramon Road **Ramp Closure**

Riverside County—A complete on-ramp closure from Ramon Road onto the eastbound I-10 will begin on December 5, 2011 and will continue through December 14, 2011. This closure is needed for the reconstruction of Ramon Road at the I-10. At this time, the Bob Hope Interchange is fully operational for public use as a detour route.

Observe all advisory signs. Avoid congestion by merging early and making space for others attempting to move over. Thank you for your patience and your courtesy.
