**FOR IMMEDIATE RELEASE**

**COMMUTER ALERT**  
**EAST JUNCTION PROJECT UPDATE**

**Riverside/Moreno Valley** – Caltrans and Riverside County Transportation Commission (RCTC) continue construction on the new \$38.5 million interchange at SR-60/ I-215. The project will add carpool lanes, realign the exit ramp at northbound I-215 and Box Springs Road / Fair Aisle Drive, and realign and widen Box Springs Road to four lanes.

On Saturday December 1, crews will begin striping in preparation for the lane switch that will occur beginning on the evening of December 6 at 9:00 pm. At that time, the westbound lanes of State Route 60 will be moved to the median lane accommodate the construction of the new HOV lanes. This work will continue from 9pm to 5am on both Thursday, December 6 - Friday, December 7 and again on Friday, December 7 – Saturday, December 8. This traffic switch will continue through the winter of 2013.

At this same time, the Box Springs off-ramp will be closed to the westbound State Route 60 motorists. A detour is available at Day Street, prior to the Box Springs off-ramp. Exit Day Street, turn right onto Day Street, then left onto Box Springs Road. Northbound I-215 motorists will now be able to exit at Box Springs once the traffic switch has been completed,

Caltrans and RCTC thank you for your patience during the construction of this project.

Allow extra commute time as delays are expected. Follow the instructions on advisory signs within the project limits. Please drive courteously and merge early. Thank you for your patience.
