WHAT: I-15 BARSTOW PAVEMENT REHAB

WHEN: FOR THE WEEK OF DECEMBER 4, 2006

WHERE: I-15 BARSTOW

The ongoing construction project on Interstate 15 through Barstow will revert back to daytime lane closures for paving until the completion of the project in early 2007. The work will reduce lanes in both directions of I-15 from East Main Street to Razor Road. **Delays of up to thirty minutes are expected and motorists are advised to plan ahead and add some extra time to your trip to and from Nevada.**

The \$54 million pavement rehabilitation project began in early April 2005. It will resurface 50 miles of I-15 in both directions from East Main Street in Barstow to Razor Road. A 4.6-mile truck-climbing lane will also be built from north of Main Street to south of Ghost Town Road. The project is expected to be complete in early 2007.
