## State Route 74 (SR-74) Paving Project—Part III is Complete

**Hemet** – Caltrans is pleased to announce that the third project to rehabilitate the pavement on State Route 74 (SR-74) in two locations completed its major items of work last week (prior to the Thanksgiving holiday). There is still some minor striping work to complete in the \$2.3 million project that performed an overlay on the existing roadway with asphalt, as well repaired designated dig out areas.

Caltrans would like to thank the contractor, All American Asphalt, for all of their hard work, as well as the local community for its patience during construction.
