

# CALTRANS COMMUTER ALERT

06-473

**DATE:** Thursday, December 14, 2006  
**District:** 8- RIVERSIDE COUNTY  
**Contact:** The City of Murrieta  
**Phone:** 951-461-6089

## NIGHTTIME FREEWAY CLOSURES EXPECTED NEXT WEEK Interstate-215 Lanes at Los Alamos Road to Close for Bridgework

The southbound lanes of Interstate-215 at Los Alamos Road will be closed starting at 10:00 pm on Monday, December 18, through 5:00 am, as the City contractor prepares the Los Alamos Road bridge for construction and places bridge beams across the freeway. The southbound lanes will be closed on the following evening starting at 10:00 pm on Tuesday, December 19, through 4:00 am.

Drivers traveling on the Interstate-215 should follow the marked detours off the freeway or avoid the construction area all together. Weather or other circumstances could change this construction schedule unexpectedly.

The Los Alamos Road Bridge will undergo several construction phases, including the construction of bridge, demolition work, installation of safe pedestrian access and full fencing, and ramp alignment work. When completed the new, seismically upgraded bridge will accommodate three lanes in each direction and two left turn lanes for freeway access going southbound and northbound. The total project cost is \$11.2 million and anticipated final completion date is February 2008.

This project is part of the City of Murrieta Capital Improvements Plan, a long-range vision of the City's infrastructure intended to improve the quality of life for all in the community.

For more information on this project, call 951-461-6089 or visit the City of Murrieta's site at [www.murrieta.org](http://www.murrieta.org).
